Yes! Even Branding advantages.

Advantage 1

Well-in-Time supplies

M Fold

M Fold

For large companies we supply with logistic plan that helps companies to hold low level of stocks. We have efficient infrastructure to make direct supplies to large companies in;

Bengaluru | Hyderabad | Chennai | Pune

Monday to Saturday QFSMC (quick flow stock movement corridors) is an evolving operational innovation that has started yielding stock management advantage to our large customers as also unbeatable competitive advantage to brand Kosher. That's soft yet crisp tissues well-in-time at your work facility.

We serve a good set of Kosher major customers in other buzzing cities through a network of accredited dealers and distributors

Advantage 2 Professional Need Assessment

QFSMC
(Quick Movement
Stock Flow Corridors)

For large work facilities
such as; IT / ITE companies and
large production facilities we offer
our expertise in suggesting most suited tissues
and on the installation needs.

Advantage 3

CSA

(Customer Satisfaction
Assessment every
12 weeks)

Kosher HRT
Rolled Towels

Kosher Gold Mark
HRT Rolled Towels

CSA  is a practice that is deliberately carried out with the clear objective to sustain our competitive edge by the superior quality of our products. With CSA being a willful practice we seek out to know of product performance issues and any supply inconsistencies even before our customers could think of it.

More importantly, structured CSA program which with large customers takes about a week, gives us all crucial insights into usage practices and utility expectations that drives cutting edge research initiatives at Kosher.

Advantage 4 Cost Optimization

Kitchen Towels
